PROCEEDINGS

Initial Case Management Conference-Held. The court informs the parties that lead counsel needs to appear in person for all case management conferences unless the court grants leave for other counsel to appear on lead counsel's behalf. No further case management conference will be set at this time. The court will wait to see what type of filings are done by defendants after the amended complaint is filed. If answer are filed instead of motions to dismiss the court will set a further case management conference. If motions to dismiss are filed they will be decided on the papers but should be briefed in accordance with the local rules. The court will set a further case management conference in the order on the motions to dismiss.
